

United Envirotech Ltd

(Company Registration Number: 200306466G)

**THE EDGE ARTICLE DATED 21 SEPTEMBER MARCH 2009 TITLED
“UNITED ENVIROTECH BETS ON GUANGDONG PROJECT WIN TO
DOUBLE ORDER BOOK” (THE "ARTICLE")**

The Company wishes to clarify that the Article was a result of an interview that the Company gave to The Edge. In the Article, it was reported that the Company was bidding for a project in Guangdong, which will be the biggest municipal wastewater treatment project using membrane bioreactor (“MBR”) technology in China.

The Company wishes to announce that one of its subsidiaries is currently participating in the tender for the project in Guangdong and that the estimated contract size is approximately S\$50 million. The Company will make the necessary announcement if it is successful in securing the contract.

For and on behalf of the Board

Dr Lin Yucheng
Chairman and CEO
